

Purple Heart

Canadian artist Dana Ardiel of Dana's Tiny Teddies has been making her miniature bears since 1997 and has always enjoyed crafts of various kinds. Mary Anne is a gorgeous example of her work, sewn from a long pile mohair in deep purple." I just loved this material and had to make something out of it!" Dana says.

Mary Anne stands 10.5cm (4 1/4") tall and her lilac ultrasuede paw pads and matching hair bows complement her darker fur beautifully. For more details, write to Dana at Dana's Tiny Teddies, RR #11, Peterborough, Ontario, K9J 6Y3, Canada or email crickett@pipcom.com
